

**Alliance for Democracy and our friends stand on the side of democracy.  
We stand in support of the rights of labor and the rights of the environment.**

Free trade agreements like NAFTA and CAFTA have harmed labor, harmed the environment and undermined our democratic processes. Therefore, we oppose any and all new agreements which are founded on NAFTA and CAFTA. Therefore, we oppose the Korea Free Trade agreement. It will lead to more loss of jobs and more outsourcing of manufacturing. It will increase our trade deficit, and allow attacks on our regulations and laws which guarantee our health and welfare. It will subvert our sovereignty in favor of foreign multi-national corporations.

Therefore, we call on our Oregon US Representatives and Senators to vote  
**No on the Korea Free Trade Agreement.**
